Sport a Shirt, Share a Night 2008

It's not too late to get involved with *Sport a Shirt, Share a Night*, our statewide RMH fundraiser. Support the children and families staying in the Ronald McDonald Houses across North Carolina by purchasing a \$10 tee shirt and wearing it on April 18th. Civic groups, businesses, churches, other organizations, and individuals will be joining the fun.

We invite you to participate in Sport a Shirt, Share a Night by telling your friends and family about this event, volunteering to help with shirt sales and getting your own shirt! Right now, we need help with selling shirts at various booth locations April 14-18 from 10:00am to 5:00 pm. Please call Abby at 723-0228 x11 or email her at AbbyB@rmhwinstonsalem.org for more information.

It's Lunch Bunch Time!

We are planning to have our next *Lunch Bunch* meeting in May and would be delighted if you can join us. *Lunch Bunch* is open to all Ronald McDonald House, Family Room and FAP volunteers. We meet at the Ronald McDonald House at 12:30, have lunch and share in a lively discussion of a topic. In May we will be continuing our discussion of "Happiness" - Why are some people are happier than others? What are the significant factors affecting how happy a person is? What are the two factors over which we have control? In the fall some volunteers read Stumbling on Happiness by Dan Gilbert. If you did not get a chance to read it, and would like to borrow a copy, please call Judy (723-0228 x39).

In order to pick a date for *Lunch Bunch* that will work best for most folks, please indicate the dates in May that will work best for you in the red folder in Abby's office or in the red folders on the volunteer desks in both of the Family Rooms. Also let us know whether you would like a club or tuna "sub." The date of the May Lunch Bunch will be announced in the May newsletter.

Thank You Spring Fling Volunteers!

On Saturday, March 22nd, over 40 volunteers spent their Saturday morning weeding, cleaning, landscaping and much more. Thanks to their help, our outdoor areas at the Ronald McDonald House are welcoming to all guests. We want to thank the following individuals and groups who participated and recruited extra helpers:

Erik Baity and Youth Group, Carolyn Blakley, Pete Breidenbach and Friends, Christi Case, The Crosby Scholars, Golden State Foods, Pam Myers, Glenn and Shanda Poovey and The Triad Seminole Club.

We appreciate your help!
